A Way to Play Agility Trial - General Briefing

Welcome to NOVEMBER 2026 agility at the Inlet!!

First dog on the line at 8:45!!

This general briefing should help us get started on time each day. All competitors are responsible for reading this briefing. It will also be at the trial.

We are excited to have JAY JONES here as our Judge this weekend. Looking forward his courses and having lots of fun.

We will run Tall to Small on Friday, Small to Tall on Saturday and Tall to Small for Sunday.
The Tavern will not be open for food or beverage sales but the building will be open for our use.
If you wish to have any alcohol it is BYOB. There will be a sign up sheet inside for anyone that plans on bringing or drinking alcohol.

****Lunch will be provided for anyone working three classes, or you can make a small donation to the club.**

The (non-member) workers for the trial will get a $2.00 voucher for each game they work to be used towards a future trial entry. We can use all the workers we can get to make this trial run smoothly. All help is appreciated!

The area behind the tan fencing is only for dogs/handlers that are on deck for their run. There will be designated waiting areas for the on deck, in the hole competitors. We must be mindful and be responsible to keep our distance. We will point out the entrance/exit gates and waiting areas.

***We would like for you to use the training ring in front of the kennel for any off-leash jump practice. Please keep all dogs on leash when not in this area.**

The small fenced square area should be used for any last-minute potty opportunities before walking behind the ring in the check in area. Please do not potty your dog behind the ring where the Gate Steward and entry and exits are.

Remember if you are camping please give a separate check to the secretary made out to A Dog's Way Inn upon arrival. Fee is $15.00 per night.

Thank you to all that have come and supported us throughout the years. It gets better all the time!!

Have Fun and Great Runs! Be kind to your dogs and treat them well!!
