Trick-or-Treat!

Opening
Point Accumulation
Back-to-back is permitted, provided a safe approach
Obstacles may be taken for points twice
Start line is bi-directional
Finsih jump is not live.

1 Point: Single bar jumps
3 Point: Tunnels, Weaves, Double
5 Point: A-Frame, Combo, Teeter

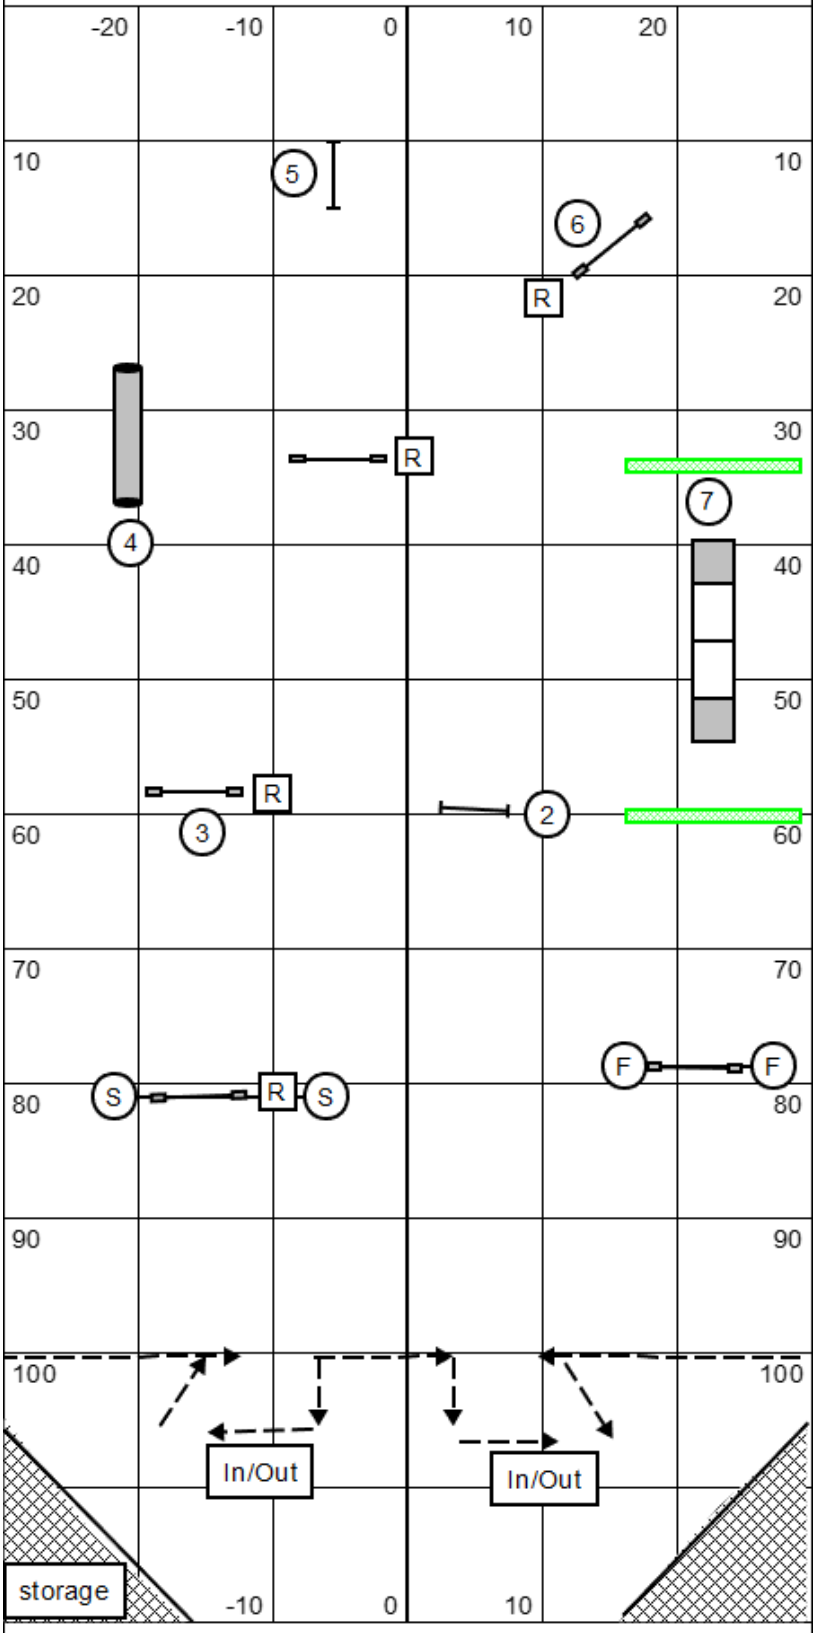

Closing
Point accumulation continues
Obstacle attempts reset, may be taken twice for points
Finish jump is live and worth 5 points

Trick-or-Treating
After a team succesfully collects their costume and bucket (both of the tunnels), they may go collect their candy. The "candy" on this course is:

- The A-Frame, worth 8 points
- The SeeSaw, worth 7 points
- The Weaves, worth 6 points
- The "5" Jump, worth 5 points

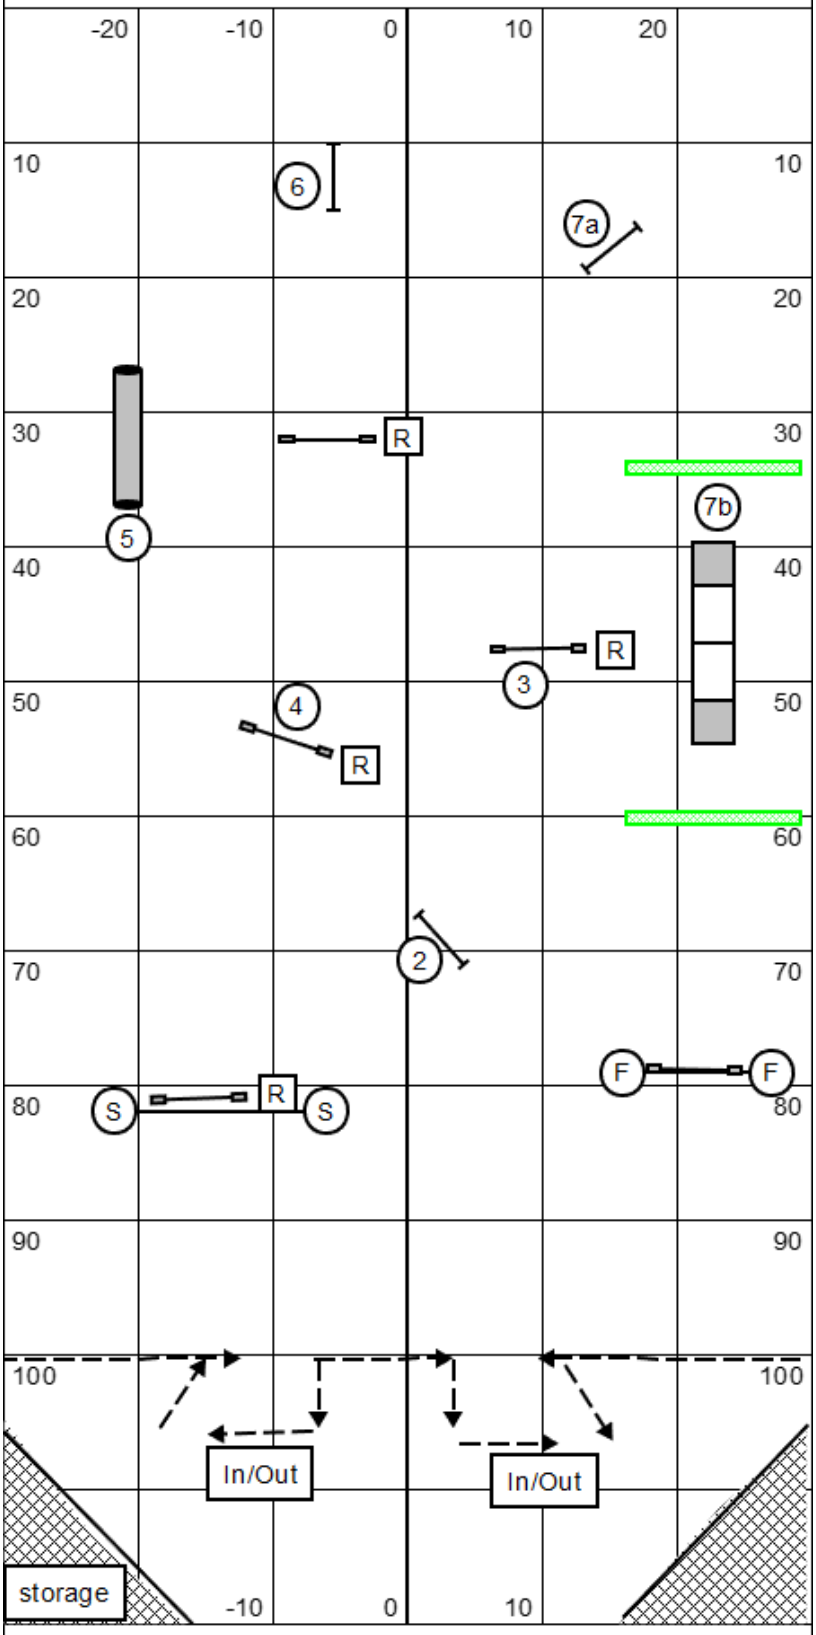

Before the costume and bucket are collected, these obstacles are worth their normal value. Remember, obstacles may be taken twice successfully in the opening, and twice in the closing, so plan accordingly to maximize your points!
