WORKERS: We will have a worker sign-up sheet at the trial. Please consider helping out. WAG Bucks, food and beverages will be provided to all workers.

COURSE MARSHAL CLASS BRIEFINGS: The course marshal will give a briefing before each class.

FOOD: Water and soda will be available for workers and for purchase. Lunch will be available for workers, but not for purchase. WAG refrigerators are NOT for public use, so please bring coolers if you wish to keep things cold. There are fast food restaurants in the area.

CRATING: There is plenty of indoor crating. Bring your own crates and chairs as WAG public crates and chairs will be limited. A protective mat MUST be put under all crates and chairs to protect the flooring.

WALK-THRUS: Time limit on walk-thrus will be 5 minutes for each class.

CHECK-IN: We will be using Real-Time Run Order, rather than paper gate sheets, for this trial. Please be sure to check your dog(s) in with the gate steward or online at My Dog Entry: https://mydogentry.com/

COURSE MAPS: Course maps will be posted the evening before each day on My Dog Entry (https://mydogentry.com/). Full size course maps will be posted at the trial. It is suggested you take a photo of the course maps with your phone and move on. Please be respectful of others.

RUNNING ORDER: The running order will be posted on My Dog Entry by 6:00 p.m. Friday. Note the running order may be posted earlier in the week and is preliminary. The running order is subject to change due to move-ups and DOS.

SEATING: Please bring your own chairs as WAG public chairs will be limited. There will be no seating or gathering on the black matting between the crating area (blue mat ring) and the show ring (turf ring). This space is for dogs and handlers that are entered in the class currently running. Seating is only allowed in the crating area. Please be respectful of others.

LINING UP FOR YOUR RUN: We will be utilizing chutes at the entrance and exit of the ring. The gate steward will direct you when to move into the chute and when to go in the ring. Please follow the gate steward's instructions. After your run, get your dog into the exit chute where you will find your leash. Please celebrate with your dog, leash up, and move out of the area as quickly as you can. To keep congestion to a minimum, please do not hang out in that area.

LEASHES: Handlers have the choice to put their leash in their pocket or safely loop them around their waist or neck. It does not have be out of the dog's sight, however if the dog plays with it during a run it would be considered a toy. If you cannot carry the leash it should be dropped on the ground at the start line and the leash runner will pick it up and place it in the exit chute on the floor. Please get your dog into the chute as quickly as possible to leash up.

MEASURING: The Course Marshal will be available to measure dogs. These measurements will NOT be considered an official CPE measurement and will not be submitted to CPE. Official height cards from approved venues will be accepted. Please refer to the rulebook for more information.

RESULTS: Results will be posted on the wall. It is suggested that you take a photo of your results with your phone and move on. Please be respectful of others. Please be sure to check your results before leaving the show site. Results are submitted to CPE Sunday at the conclusion of the trial. Once submitted to CPE, they cannot be changed. YOU ARE RESPONSIBLE FOR CHECKING YOUR SCORES!

RIBBONS: Ribbons will be "self serve".

SPECIAL AWARDS:

- New Title rosettes will be available.
- High in Division will be awarded for all classes.
- High in Trial will be awarded for the weekend.

WORKER RAFFLE: We will be holding a worker raffle each day. Handlers will be given a raffle ticket for each class worked. Drawings will be held each day after the last class is completed.

Being respectful of others will ensure we all can have a safe and fun trial.

PLEASE, IF YOU ARE SICK OR NOT FEELING WELL, DO NOT COME TO THE TRIAL. Contact Shelly and we will work out credit for a future trial.

Thank you for your patience and cooperation,

Shelly, Mary, and the WAG Board of Directors
