Crating, Prep and Hangout information

Come prepared to stack your crates, especially if you are bringing non-entered dogs. Priority for crating space is given to dogs that are entered in the trial. There is no crating in the arena. Because we are tight on space we must be mindful of other dogs and people around us. Please only use one space per dog including your extra items and place chairs in front of your crates. Tugging and rough play should not be done in the arena where dogs are lining up to run. If you plan on using your car to crate and bring an Ez-up for shade do not secure them with stakes in the ground. We have an underground sprinkler system that could be damaged.

Competitors may use their own chairs in the viewing area. Please keep them low-backed and non-reclining.

The All Dogs employees at the front desk have nothing to do with the trial. Come to one of the committee members for the trial if you have questions or concerns. (DeeAnn Decker, Lenore Coombs, Katie Cheever, Heather Bystrek, Janine Rigney or Kate Hill)).

The score table is happy to answer questions and help with concerns but requests that you not disturb her while she is scoring. Please wait until the class is over to ask questions.

Food, drink or clickers should not be inside the arena. Remember, flexi leads, ex-pens, and tacky paw substances are not allowed in the building.

All dogs must be CRATED in the classroom or in your vehicle when not running or on leash when waiting their turn in the ring or when ACTIVELY in the warm up area. There will be a ZERO tolerance policy for this rule. Offenders may be asked to leave without refund. All exhibitors must pick up after their dogs. Please use the trashcans outside for dog pick up.

All dogs is a business and has restricted us from certain areas of the building. Specifics will be mentioned at general briefing.

It is important that you be on time for your run. Per CPE rules, any dog not set to run when their turn comes, may be skipped. Return to a height is at the host club and judge's discretion.

This is the planned running order for the weekend, heights and levels.
