# DAWG GONE IT!

5628 Buffham Rd, Seville OH 44273

**Please read this document in its entirety! It contains a lot of important information you'll need to know about the Trial and Trial Site!**

## Parking/Crating/Building Information:

The building will be open at 8am, with the trial set to begin at 9am. **Do not come into the building before 8am unless you have been instructed otherwise.** Be aware, space for crating indoors is EXTREMELY limited!

**All crates should be placed within the marked area and consolidated as much as possible. PLEASE ONLY PLACE CRATES IN THIS AREA UNLESS A SEAT NEXT TO A CRATE IS ABSOLUTELY NEEDED. There is some space for seating closer to the ring.**

**You are welcome to set up a canopy on the frisbee field BEHIND the building or with your car as long as you leave room for others to leave freely.**

**If you ARE NOT crating from your car, please park BEHIND the building. If crating directly from your car, you can park in the spots out front OR DIAGONALLY facing the building on the right side. You are welcome to park behind the building as well.**

While the building ends can open so industrial fans can be turned on to create a stronger airflow if warm, and heaters turned on if cold- it is Ohio. And Ohio weather can be unpredictable - so please bring with you anything you need to make both you and your dog comfortable in accordance with the weather. Please note there are portable toilets on site, but no running water- please bring water for you and your dog(s)!

## Volunteering:

Please consider volunteering at our event! Volunteers are eligible to earn credit for future CPE events held at Dawg Gone It - anywhere from $3 off to multiple free runs!

**Additionally, if you volunteer for 4 or more classes on THE SAME day you will be able to enter the building on Friday evening or before 8am each day to set-up. You also can reserve a building crate for your dog(s), or parking directly out front if car crating.** You will be contacted via email about this perk a few days before the trial.

Let us know if you'd like to help and where, or use this link to sign up: **https://tinyurl.com/4xch749k**

## Measurements:

Measuring for the trial will take place at the beginning of the day before the first run of the day. It is your responsibility to know if your dog requires a measurement- if you are not sure, please ask! It is also important that you are sure your dog is entered into the correct program/jump height. Again, if you aren't sure please ask and refer to the chart below:

| Measurement | Regular (P-card or higher) | Veterans (4 inches lower than P-card) | Enthusiast (4 inches lower than P- card) | Specialist (8 inches lower than P- card) |
|---|---|---|---|---|
| 8.0 inches or less than | 4 inches | 4 inches | 4 inches | 4 inches |
| over 8 inches up to and including 12.0 inches | 8 inches | 4 inches | 4 inches | 4 inches |
| over 12 inches up to and including 16.0 inches | 12 inches | 8 inches | 8 inches | 4 inches |
| over 16 inches up to and including 20.0 inches | 16 inches | 12 inches | 12 inches | 8 inches |
| over 20 inches up to and including 24.0 inches | 20 inches | 16 inches | 16 inches | 12 inches |
| over 24 inches | 24 inches | 20 inches | 20 inches | 16 inches |

**Note:** P-Card = Permanent Card: the lowest Regular height a dog may jump in CPE. A dog may not jump lower than 4 inches.

**AGAIN, PLEASE BE SURE YOU ENTERED CORRECTLY BEFORE THE TRIAL STARTS. If you are unsure after being measured, come ask!**

## Titles:

Please inform us ASAP if you are expecting to earn a "higher level" title at our trial! While we do our best to keep these larger Rosettes on hand, every once in a while we may run out. If this happens, be sure to

leave your mailing address with us so we can get you your well earned ribbon! **Take note for future events,** the earlier you enter the trial and let the trial secretary know you are expecting to achieve a milestone with your dog, the more time we have to make sure the proper rosette is available for you!

## Vending/Photography:

Grey Meadows Media will be onsite at this trial both days. **Please let our photographers know ahead of time if you'd like them to move or exit the ring while you run with your dog!** They'd be more than happy to adjust to you and your dog's needs, but needs to know to do so!

Elaine Coffey, CCMT will also be available both days offering Canine Massage- "Agility dogs rely on strength, balance, flexibility, and body awareness every time they step on course. Canine massage supports their whole athletic system—helping muscles stay supple, joints move freely, and bodies stay tuned for peak performance." If you'd like to secure your preferred time and pre-schedule, you can reach out to Elanie at (502) 214-0426.

# REMINDER!

**All dogs should be on crated if they are not in the ring/lining up to run and inside the building. The area is small and dogs out of crates can create additional stress for the people and dogs who will be closely surrounding you.**

**Please do your part to keep the property and building nice- clean up after both yourself and your dog, and make sure to take them outside to potty prior to your turn! Please do not allow your dogs to pee on the building, trash cans, flower boxes etc.**

## Additional Info:

Please be courteous by giving handlers and their dogs space when both entering and exiting the ring as well as the building. The ring entry and exit are tight, especially with spectators and crating. **If you or your dog requires accommodations (beginning/end of run order, reactive dog, no photographer in the ring) please let us know!** We will do our best to accommodate.

Please let us know if you have any additional questions. You can find the info for this event's Trial Secretary below- We look forward to meeting you and having a fun day with our dogs!
