****IMPORTANT INFORMATION****

Crating space is EXTREMELY limited, so please come early and/or be prepared to crate from your car if needed. If you will be crating inside the building, please park around back, to leave the front and side of building spots for those crating from their vehicles. The building can be open with fans to allow airflow if the weather is warm, and radiant tube heater can he turned on for colder weather- but it is still a not fully insulated and non-airconditioned building… Please bring with you anything you need to make both you and your dog(s) comfortable. Please note there are portable toilets on site, but no running water- please bring water!

Because of the back to back levels of Double Down, if less than 10 dogs are entered into class, an additional 5 minute break will go into effect.
