IMPORTANT NOTES: HANDLER DIFFERENT from owner must be reported to secretary. (There's now a separate box on the entry form but in case you forgot, let me know.).

Reminder that Speedstakes Saturday and Gamblers Sunday is run "**COMBINED**" – which means that all of you will be briefed on, walk and run the same one course, but it will still be scored by

level.

MEASURING REQUIREMENTS have changed in UKI**.** I am working closely with UKI to comply with their requirements, as they suggest if you don't comply, you don't get to keep competing! I will have the new (green) Height Cards for dogs under 3, and I will work to measure any dogs. Be sure to see me if Tatjana measures your dog, since I have to keep the records and gather additional information like dog's date of birth. I can also measure dogs not entered.

I show that BONUS needs measuring, but others can self-identify and also get measured.

Check with me (Paul) in the office when would be a good time to measure – after we start running for the day.

I take care of doing all the measurements as I am also a UKI Judge and keep all the records of dogs I've measured since October 2024.

If you're on this list, and were measured elsewhere, and the dog is less than 3, and you didn't get a height card, see me and I'll get you one.

The new rules mostly apply to younger dogs; if you look at your dog's information on the UKI website and it shows an asterisk * next to the dog's height then you don't have to do anything else. So, here's what UKI asks us to put in every final Confirmation: "Please ensure you understand the new criteria regarding dogs being measured. UKI 11th Edition Rule Book.pdf
If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent. If you ask for a challenge measure when you have a permanent measure, you must state this when you are getting the dog measured so the correct protocol can be followed and you may not continue to challenge a measure when you have challenged it once.

`"PM: Note that an AKC Permanent Height card.now only counts as a temp measurement but still can be used.

MASTERS SERIES PAYMENTS: now that most everyone is using MyDogEntry, where I have the ability to issue credits to your account, it may be easier to just issue credits to your account if you win cash in Masters Series, while still allowing you to pick up the cash at the office if you prefer.

Volunteers: Diane Harrington will be the volunteer coordinator. There is a large easel with worker grids. There will be a **worker raffle** including PMCC prizes – dollars off coupons for future trials which you can also trade in any time to get credit put on your MyDogEntry acct.

NEWER CHANGES TO COURSE MAPS DISTRIBUTION

Course Maps: -full-size course maps will be posted by the secretary's office.

-the package of course maps will be emailed each morning at 4

-the maps will be posted on MYDOGENTRY at 4 a.m. as well.

Parking: Please Park where Premier staff has indicated. Absolutely no double parking is allowed in the front lot. All must park between the lines.

REASONS TO COME TO THE SECRETARY OFFICE IN THE MORNING:

-if this is your first PMCC Services trial, I have materials for you.

-if you owe money - those who do have been notified (you cannot pay UKI or MDE now!)

-If your dog shows as needing measuring. However, don't come to the office with your dog first thing in the morning, instead we will figure out a time to measure.

AT THE SITE: the Main Entrances to the Arena are doors on either side of the front of the building.

SPECIFIC CLASS BY CLASS RUNNING ORDER: The run order is attached in a separate file, and the final version will likely look a lot like this one. As always, we do our best to separate runs by people with multiple dogs in the class, even if it means more jump height changes. For Sunday I estimate start times to benefit those not due to arrive until later in the morning.

VENDORS: I have no information on vendors at this time.

Other things to know about the trial:

Absences: if for any reason you won't be attending, please text me at 732-547-0719

LEASH RUNNING note: in UKI you can't put it in your pocket, wrap it around your waist or wear it like a sash like at AKC. It has to be taken by leash runner to the place designated by the judge.

RESULTS/INFORMATION STICKERS – Will be put on a table near an outside door, in the main area in the southwest corner. Qualifying run / placement ribbons and New Title ribbons are provided by Premier Sports Center. I have limited quantities of championship ribbons (**IAC, IWAC, CSS, WCSS**) so we don't put them out, BUT IF you earn an IAC, IWAC, CSS or WCSS please let the Secretary know so you can be formally awarded a ribbon if available, we can take a quick picture with the judge. Results will be emailed as a PDF a day or two after the show for you to review, before they are sent on to UKI for posting.

MASTERS TOURNAMENT RESULTS
Will be available a short time after Masters Tournament concludes, money is ready, and certificates are printed. We will do the ceremony right before the Senior/Champ Speedstakes class runs, so please stay around.
