Mid-Course Challenge

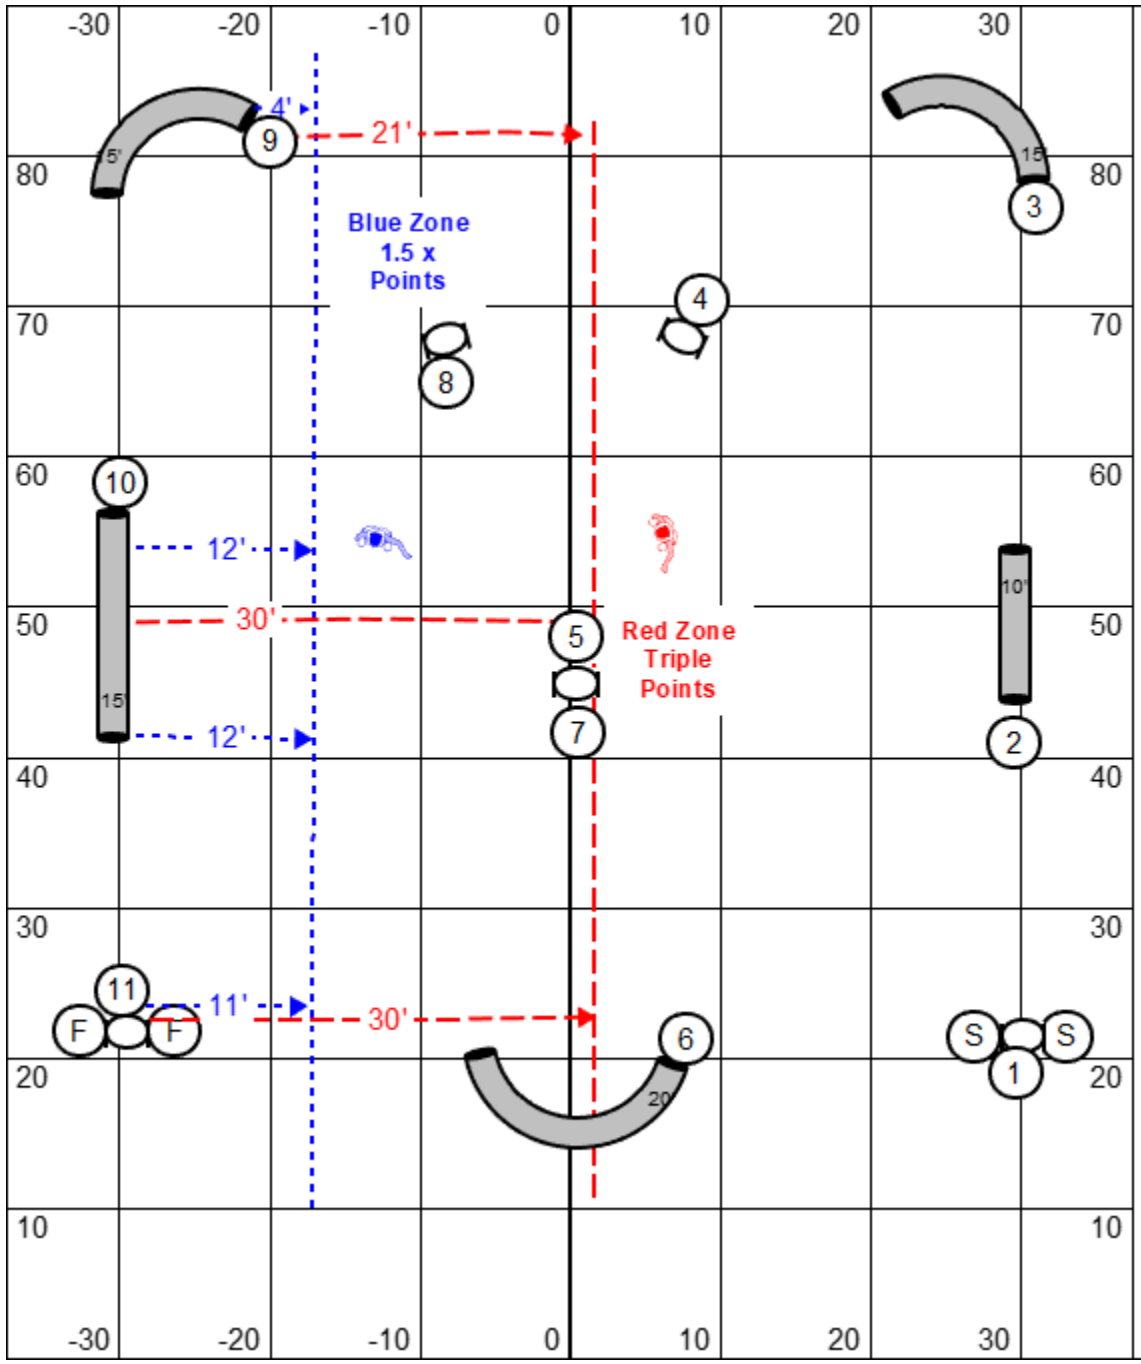

In order to attain the 3X multiplier the handler must stay behind the Red Line while the dog performs obstacles 5-7 as marked on the map.

In order to attain the 1.5X multiplier the handler must stay behind the Blue Line while the dog performs obstacles #6 as marked on the map.

In addition, all obstacles on the course must be performed without any required corrections to qualify with a multiplier. Obstacle corrections allow for a score but in that case the multiplier is voided.

Handlers may choose to run the entire path with their dog for no multiplier.

Start and Finish Hoops are always Bi-directional
