Exhibitors entering trials held at Medina Swarm must comply with all Federal, State and Local laws, and at any time is done entirely at your own risk. Per the CDC it is highly recommended that those who are unvaccinated, compromised, or have vulnerable members at home wear masks within the building, and are encouraged to social distance. Medina Swarm will not be supplying masks.

Note per the CPE Premium

No changes to trial results will be made once the trial has been completed – handlers are responsible for the accuracy of information in their confirmation from the trial secretary (dog's info, level, height category and/or jump height, etc), prior to running in a trial, and for reporting any discrepancies of posted results prior to leaving the trial site each day. This also includes if there was a correction to a scribe sheet – the handler must verify that the results were corrected as well.
