MEASUREMENTS

If you do not have a valid permanent height card or a current yellow slip from a VMO you will need to notify the judge and have your dog measured BEFORE your first run. Measurements taken at these trials will only be valid for this 4 day trial.

WORKERS

Please sign up with Ashli Picasso-La Cross to work. We need volunteers to keep the day moving. You can sign up with the Worker Link or sign up at the trial.

RVs

RV parking is available on site at the top of the hill leading to the facility. Dry camping only, there are **no** hookups. Please email me if you plan to bring an RV/camper as space is limited. I will email your assigned spot # to you early next week.
Please do not attempt to drive your RV down the hill to the facility, there is no place to turn around and you may get stuck!

CRATING FROM CAR

If you wish to crate from your car, we can reserve a parking space close to the building for you. **Please email me by Monday November 16th** to let me know if you will be crating from your car vs crating in the building. I will assign you a reserved spot and email your assigned spot # to you early next week.

If you have not reserved an assigned parking space, please do not park in the reserved parking.

EXHIBITOR SETUPS

Doors will open each morning at 7 am. Please bring tarps or other floor covering for under crates/chairs. Please be considerate and do not block the aisles.

COURSE MAPS
Course maps will be available for download each day on MyDogEntry and will be posted at the trial site. If you are logged into your My Dog Entry account the day of the trial, there will be a button to click in order to view the maps for each class you have entered.

MACH/PACH

If you are anticipating getting a MACH/PACH or AGCH at this trial, please let me know so that we can be sure to have a ribbon and a bar available for you.
